

THE FRANCISCAN CENTER

LENDING OUR NEIGHBORS A HELPING HAND

November, 2022

As we finish our plans for our annual Turkey Tuesday event, I wanted to thank you for making our 20th Dinner & Auction on October 29 a success. **After costs, we netted over \$100,000 including a \$1 for \$1 match for cash gifts made before and during the event.**

We are humbled that so many friends and sponsors chose to gather at Ceruti's again for food, fun, traditions like our Heads & Tails auction, generously donated items for the silent and live auctions, and the introduction of a new tradition. Your generosity will provide needed support of our clients through the Sack Lunch, Food Pantry, and Medicine Cabinet ministries, and the Family Thrift Stores.

As St. Francis of Assisi wrote, **“It is in giving that we receive.”** Your giving through our event will certainly help those we serve receive the mercy and grace of our Lord Jesus Christ in Humility, Compassion, and Love. Knowing that you are in our corner and continue to meet the needs of the community is very encouraging as we share the compassion of Christ to our neighbors.

Sincerely,

P.S. SAVE THE DATE! Next year's event is scheduled for Saturday October 28, 2023.
